So give yourselves completely to God. Stand against the devil, and the devil will run from you. [8] Come near to God, and God will come near to you. You sinners, clean sin out of your lives. You who are trying to follow God and the world at the same time, make your thinking pure.

Ephesians 6:18 ERV

Pray in the Spirit at all times. Pray with all kinds of prayers, and ask for everything you need. To do this you must always be ready. Never give up. Always pray for all of God's people.

1 Corinthians 14:2-5 ERV

I will explain why. Those who have the gift of speaking in a different language are not speaking to people. They are speaking to God. No one understands them—they are speaking secret things through the Spirit. [3] But those who prophesy are speaking to people. They help people grow stronger in faith, and they give encouragement and comfort. [4] Those who speak in a different language are helping only themselves. But those who prophesy are helping the whole church. [5] I would like all of you to have the gift of speaking in different languages. But what I want more is for you to prophesy. Anyone who prophesies is more important than those who can only speak in different languages. However, if they can also interpret those languages, they are as important as the one who prophesies. If they can interpret, then the church can be helped by what they say.
