IMPORTANT INFORMATION

Main Aim

The Discovery Ministry Empowerment Course has two main objectives:

1. To assist you in discovering your ministry assignment.
2. To form the character of Christ in each student in order to reproduce it in others.

Everything that we ask you to do will have these two objectives at the forefront!
Remember, you can only reproduce what you are and only give of what you have!

Leaders in the kingdom are trained, not born leaders. The potential to lead is in every believer. We desire to bring the leader out in you.

Attendance

At the Ministry Empowerment Course, we are training leaders therefore attendance is of the utmost importance. The Ministry Empowerment Course is more than information. The Ministry Empowerment Course is impartation. It is imperative that you attend every session to receive this impartation. The following is your responsibility.

Every shift worker is required to indicate on his/her enrollment form his/her shift work schedule and how many sessions he/she will miss. He/She must get the instructor to make up missed assignments and notes.

During the next session the shift worker is present, he/she must turn in the required Assignment that he/she missed. The shift worker will also be accountable for all scripture memory work missed.

4. Three tardies equal one absence.

Assignments

In the Discovery Ministry Empowerment Course, you are required to complete the questions found in each lesson. To answer the questions requires reading the scriptures indicated. You will turn the lesson in. It is required that the questions be completed and turned in before each class for group discussion. You will complete your homework online.
