

Financial Increase Confession

I confess financial increase in my life now! I believe I receive double this you; double anointing - double rejoicing - double in my assets and a double portion of seed to sow!

I believe I receive increase in stocks - bonds - mutual funds - interest - income and dividends! I receive favorable settlements - real estate - inheritances - raises - bonuses - sales - commissions - rebates - returns - gifts - lost money found - bills decreased and paid off!

The treasures of darkness and the hidden riches of secret places are mine now!

God is increasing me more and more!

The uncommon favor of God is upon my life now! His favor that breaks all the rules; His favor that's just not normal, follow me everywhere I go!

Someone - somewhere is looking to bless me to fulfill God's purpose and plan in the earth!

In the name of Jesus, I do not entertain thoughts of doubt and lack! I am absolutely convinced and I am fully persuaded financial prosperity is mine now for the sake of the gospel - in Jesus' name!!
